Highly pathogenic notifiable avian influenza status of Denmark

Dear John R. Clifford,

Thank you for your letter of October 24, 2006, in which you ask for information on the highly pathogenic notifiable avian influenza (HPNAI) status of Denmark.

Please find enclosed the report from the Danish Veterinary and Food Administration "Highly Pathogenic Avian Influenza H5N1 in Denmark, Spring 2006". In this report we provide the information you required on the HPAI outbreak in Funen County.

I look forward to receiving your comments to the report.

Yours faithfully,

Preben Willeberg
Chief Veterinary Officer
